in the Province of Ontario
CRAFT STEWARDSHIP COMMITTEE

Taking the Next Step on Your Masonic Journey

The **DDGM Preparation Committee** is pleased to announce the following Spring 2019 Workshop schedule. These workshops are an alternative means of achieving a Qualifying Certificate that will allow a Past Master to put his name forward to be elected to the offices of District Deputy Grand Master or Grand Registrar. They are also ideally suited to those who may become a District Secretary.

Each workshop includes coffee and *fellowship* at 8:00am, start at 8:30am, break for lunch and conclude at 3:00pm. Each attendee is requested to bring a 2018 edition of the Book of Constitution. GL publications will be available for sale at the workshop.
